Health & Safety Statement

At **Al Nafisa Building Construction Contracting Company**, health and safety are the foundation of our operations — not an obligation, but a commitment.

We believe that a safe site is a productive site. Our team is trained to approach every project with a safety-first mindset, where every precaution is taken before work begins. We integrate internationally recognized HSE (Health, Safety & Environment) practices into our daily operations to ensure that all team members return home safely, every day.

We Promise to:

- Maintain a safe working environment on all construction sites.
- Comply with all local and international safety standards and regulations.
- Provide regular safety training and awareness programs.
- Ensure all workers use appropriate Personal Protective Equipment (PPE).
- Identify, assess, and mitigate potential hazards before starting any task.
- Encourage a culture of reporting and learning from near misses or incidents.
- Promote mental and physical wellness alongside on-site safety.

We don't wait for incidents to happen. We prevent them.

Contact us today to discuss your manpower needs and let us deliver the workforce that drives your project forward.

MEP Contracting Service

Complete MEP Solutions with Precision & Excellence

At **Al Nafisa Building Construction Contracting Company**, we provide end-to-end **MEP (Mechanical, Electrical, and Plumbing)** contracting services tailored for commercial, industrial, and residential projects. With a highly skilled team and a commitment to international standards, we ensure that every installation is functional, energy-efficient, and future-ready. From HVAC systems to electrical panels and water supply networks — we handle every detail with engineering accuracy and project discipline.

Our MEP Services Include:

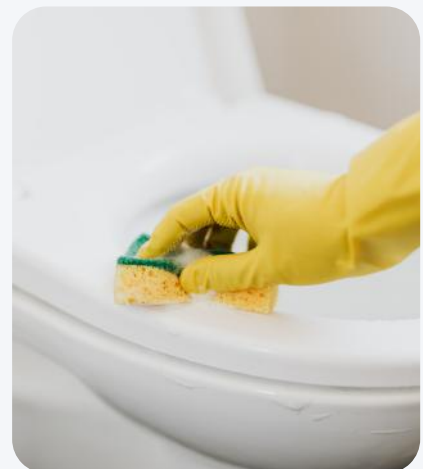

- **Mechanical:** HVAC (Heating, Ventilation & Air Conditioning), ducting, exhaust systems, fire-fighting systems.
- **Electrical:** Internal & external electrification, LV systems, lighting, panel boards, earthing & lightning protection.
- **Plumbing:** Drainage, water supply, pumping systems, sanitary fixtures, water tank installation.
- **Fire Fighting & Safety Systems:** Sprinkler systems, fire pumps, alarms, emergency lighting.
- **Maintenance & Upgrades:** Renovation of existing systems, energy optimization, AMC contracts.

We coordinate closely with architects, civil engineers, and clients to ensure that every system works in harmony — because in modern buildings, **MEP is the invisible backbone** of comfort and safety.
